Experience

Atlas Realtors

Product Designer   Jan 2023 - Present

- I lead the visual design, user experience and interaction across Atlas Realtors websites.
- I was also responsible for the end to end research, design and testing to attract and retain new target audience.

Brand Visual Identity

- Designing the brand visual identity from the ideating, sketching, iterating to the final results.

The Active Galley

Visual Designer   Sept 2021 - Present

- Designing Visual campaign and social media advert design for the local food restaurants.
- I was responsible for the rebranding of the brand's visual identity and I design all her graphical contents to attract sales and retain potential audiences.

The Sower Discipleship

Discipler, Instructor   August 2020 - Present

- I have been mentoring students and raising disciples, helping them to discover their God-given purposes and relevant in the real world.
- Created an online group where I have been managing youngsters, teaching and raising them to be conform to the image of the Lord.
